The Little Flower School district would like permission to photograph your child so that we can display your child's and the districts different programs and accomplishments on our website. In doing so, we can honor and recognize the students activities in the classroom and district with guidelines in place to protect each individual's privacy. All web page work must be related to district authorized activities and no other identifying information will be included. All work and/or photographs that will be displayed must be approved by the building administrator.

The Little Flower UFSD assumes parents agree to permit student's work/photo to be posted on the District website unless the parent sends a letter or email to the above address indicating otherwise. This office will confirm receipt of your letter.

The Little Flower website is located at
